Here we have a striking example of the economical and reliable Ford Focus 1.0T EcoBoost Zetec 5 door in the eye catching Metallic Blue. Having covered only 33,000 miles in its 4 year life, you can be confident that this car is in great condition. There are some great features on this little car, but our personal favourites are the Bluetooth functionality which means you can control the music from your phone on the 7" touch screen, the Start/Stop System which automatically shuts off the engine when the vehicle is at rest to cut fuel use and eliminate idle emissions, the Voice control which allows you to operate the car's functions through speaking instructions instead of using the physical buttons on the dashboard, the DAB radio which allows for a greater choice for you when flicking through stations on your radio, the Trip Computer which shows the distance to empty, average fuel consumption, instant fuel consumption,
