Here we have a striking example of the economical and reliable Hyundai i30 1.4 Active 5 door in the eye catching Pure Black. Having covered only 68k miles in its 6 year life, you can be confident that this car is in great condition. There are some great features on this little car, but our personal favourites are the cruise control which means you will stay comfortable even on those long drives, the Bluetooth and Aux-in functionality which means you can control the music from your phone on the car's speakers, the Trip Computer which shows the distance to empty, average fuel consumption, instant fuel consumption, average speed, trip mileage and journey time elapsed, the Voice control which allows you to operate the car's functions through speaking instructions instead of using the physical
